### DETAILED ACTION

Claims 1-24 are pending in this reissue application.

#### **Claim Status**

An Examiner's Amendment to the claims was authorized and entered in Paper Number 20090930 mailed 10/7/2009. Final search and consideration will be given after Applicant submits a Supplemental Oath/Declaration (such as PTO form 51S) to cover the claims as amended in paper number 20090930 mailed 10/7/2009.

#### **Reissue Rejection: Supplemental Reissue Oath/Declaration Required**

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 1-24 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

**"Every error in the patent which was corrected in the present reissue application, including the Examiner's Amendment mailed 10/7/2009, and which is not covered by the prior oath(s) and/or declaration(s) submitted in this application, arose without any deceptive intention on the part of the applicant."**

See MPEP §1410.01, §1414, §1444.

#### **Conclusion**

The amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory

Art Unit: 2129

period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
